## Bloomberg Tech Talk

Bloomberg software engineer, Rajat, will present how we monitor and automatically control distributed Electronic Trading applications and their complex interconnections and dependencies. Our monitoring tools not only allow us to safeguard our internal software and hardware but also protect external market connections and exchanges.

Catering by Mad Mushroom!

**When:** August 29th at 5pm

**Where:** RAWL 1062

**RSVP:** <http://tinyurl.com/yxavs5hu>

We are currently recruiting for 2020 Software Engineer summer internship and full-time Software Engineer roles. Ask about our applications!
